RE: Physical/Chemical Wastewater Treatment Operator License #1306

Dear Mr. Theobald:

This letter is to confirm that you are in good standing with this board. You were issued a level "A" Physical/Chemical Wastewater Treatment Operator license on 11/12/1991, by taking and passing the Association of Boards of Certification (ABC) Exam and receiving a passing score of 70 on 08/11/1989. Your initial licensure date with the Board was 11/12/1991. According to our records, you have never been suspended or revoked, and your license will remain current through 6/30/2019. Please refer to the SC Code of Regulations, Chapter 51-3(F)(5), for the requirements for the "A" level license:

2. To be licensed by the board as "A" physical/chemical wastewater treatment operator an applicant must:

- a. hold a valid "B" License;
- b. pass an examination approved by the board;
- d. have completed at least four (4) year of actual operating experience at a physical/chemical wastewater facility, or the equivalent; and,
- e. submit an affidavit of employment documenting the experience.

Feel free to contact the Board at (803)896-4430 or at [contact.environmental@llr.sc.gov](mailto:contact.environmental@llr.sc.gov) if you have any questions.

Sincerely,

Meredith Buttler, Program Coordinator
